

Instructions for preparing and submitting final camera ready paper

1 - Preparing final paper

Please, proofread your source document thoroughly to confirm that it will require no revision.
Please use the templates from our website <http://uamweek.ieee.org.ua/templates-instructions/>.

If your paper is prepared in MS Word

Please, use [ieee-conference-template-a4](#) to prepare a regular paper.
Please, use [ieee-conference-template-a4-invited](#) to prepare an invited paper.

Please pay attention, page margins are:

- top – 1.9 cm;
- bottom – 2.54;
- left and right – 1.6 cm

in the whole document.

If your paper is prepared in TeX/LaTeX using IEEEtran, please follow “[Notes for using LaTeX template](#)”

Check that there are NO copyright notices on the first page of your paper.

2 - Submitting a final paper to EasyChair system and signing the IEEE Copyright Agreement

Please log in to the EasyChair system and use the “author” or the "proceedings author (IEEE Proceedings)" role of the IEEE UkrMW-2022 conference

Your recent EasyChair roles are shown in the table below. Click on a role to access it.

Conference	Role
IEEE UkrMW-2022	proceedings author (IEEE Proceedings)
	author
